

ONE-ON-ONE MEETING (MONTH #1–ONGOING)

HOW IT WORKS

At the end of each Monthly Meeting, the Chapter Head collects members' name badges and places them in the Selection Tote Bag (provided to you by The W Source™). She will then select two badges at random, and each pair will be responsible for meeting with each other before the next 90-minute Monthly Meeting.

TIME/LOCATION

Each "One-on-One" pair decides on the time and location of their meeting. This can be scheduled as a happy hour, coffee, or lunch.

OBJECTIVE

The goal is to help members get to know each other better and to build rapport and trust among the group.

TOPICS

Members are encouraged to review their The W Source™ Value Proposition sheet with one another. Each member will share her business/service, her preferred clients, and her goals in joining The W Source™.
